## NETWORK PARTNER PROGRAM

CALSAGA (California Association of Licensed Security Agencies, Guards and Associates), established in 1994, is the only industry association in California dedicated to advocating on behalf of the security industry. Our advocacy is focused on the Legislature, the Bureau of Security & Investigative Services (BSIS), and other regulatory and governmental agencies. Our goal is to ensure our members' voices are heard at all levels.

We are a 501 C (6) non-profit organization, financially supported by membership dues, generous partner organizations and income from our training programs, annual conference and other member service fees. In addition, CALSAGA is pleased to receive financial assistance from diverse supporters and donors including sponsors and Network Partners.

Network Partnerships will run for a one-year period with annual renewals. Unless they wish otherwise, we will publicize the names and/or logos of supporters on our website, at our events, and in certain promotional materials as detailed below.

### **ANNUAL CONTRIBUTION of \$5000 entitles each Network Partner to the following:**

- Special Recognition luncheon in the Network Partner's honor during CALSAGA Board of Directors Meeting and a block of 15 minutes of dedicated time to present to the CALSAGA Board at a BOD Meeting (one time)
- Free Advertisement space in *The Californian: The Quarterly Newsletter of CALSAGA* (1/4-page ad, 4 times per year)
- Logo on CALSAGA's Network Partner Page
- CALSAGA logo available for use on your website and promotional materials
- CALSAGA Network Partner Social Media Thank You (once per year)
- Mention in and logo included *The Californian: The Quarterly Newsletter of CALSAGA* (4 times per year, Network Partners box)
- Introduction and acknowledgement at CALSAGA Annual Conference General Session and Awards Dinner
