Member Portal Views & Authorizations

Authorized Users

Each company can designate up to four individuals as Authorized Users. In the CALSAGA Member Portal Authorized Users have access to all four tabs: Membership Profile, Instructors & Courses, Officers & Certificate, Training

Authorized Users can:

- Edit the Membership Profile
- Pay Membership Dues
- Create and Merge Instructor Profiles
- Create a Custom Course Name
- Create Officer Profiles
- Create Certificates
- Purchase Training
- General Sexual Harassment Training Reports

Authorized Users cannot:

- Delete an Officer Profile
- Delete Officer Training Records

Authorized Users Who Are Also Instructors

Authorized Users have the ability to create officer profiles and training certificates; creating a second set of access credentials under the Instructors & Courses tab is not necessary. Should an Authorized User's name need to appear on a training certificate in the training field, an Instructor Profile may be created with first and last name only; the username and password fields should be left blank.

*Please note that if Instructor access is created with the same email addressed listed for an Authorized User, log in will fail. In that case you can [Request Database Assistance](#)

Make a Dues Payment

Only Authorized Users have the ability to make a dues payment through the Member Portal.

- Under the Membership Profile tab click View Invoice on the left side.
- In the new window that opens with the invoice click Pay with Card.

Instructors

Companies can set up Instructor access for trainers or those who create training certificates. Instructors have access to only the Instructors & Courses, Officers & Certificates tabs

*Please note that some names may appear in your list of Instructors that do not work for your company. This means that that trainer is listed on a certificate for training that one of your officers received prior to that officer working for your company. You can [Request Database Assistance](#) with a list of instructors to be deleted from your list.

List Instructors

Instructors can:

- Create Instructor Profiles
- Create a Custom Course Name
- Create Officer Profiles
- Create Certificates

Instructors cannot:

- Edit the Membership Profile
- Pay Membership Dues
- Merge Instructor Profiles
- Purchase Training
- Delete an Officer Profile
- Delete Officer Training Records
- General Sexual Harassment Training Reports

Profiles

Merging Duplicate Instructor Profiles

Instructor records may have duplicates; profiles can be merged by an Authorized User.

- Click the Officers & Certificates tab.
- Enter a full or partial name in the Search Officers box. Click Search
- Check the profiles that you would like to merge.
- Click Merge Checked. Click Save

*Please note there is no undo option for merged profiles.

Entering and Updating Guard Card Expiration

- Click the Officers & Certificates tab.
- Select the officer from the List of Officers and click Edit.
- Enter the Guard Card expiration date and click Save.
*Please note that this field must be manually updated. The Department of Consumer Affairs does not permit our system to interface with BreZE.

Creating Certificates

Create a Single Certificate for one Officer

- Click the Officers & Certificates tab.
- Select the officer from the list of officers on the left side and click Create Certificate.
*Please note that if your company has more than 1,000 officer profiles, it is more efficient to enter the officer's name in the Search Officer field and click Search. To create a certificate, click the blue Create Certificate icon on the far right.
- Fill in all fields and click Save. A green Success message will appear in the bottom left corner. Either close the window or click the Officers & Certificates tab to return to

Create Multiple Certificates for One Officer or Multiple Officers

*Please note that prior to starting this process, you will need both the Officer's ID and Instructor's ID. See below for information on obtaining those ID numbers.

- Click the Officers & Certificates tab.
- Under New Certificate click Create Multiple.
- Holding down the Control key on your keyboard, select all courses that you are entering. Click Next.

Deleting Certificates

To protect training records, neither Instructors nor Authorized Users have the ability to delete records. If a certificate has been created in error, [Request Database Assistance](#) to have it deleted.

Creating a Custom Course Name

- Click on the Instructors & Courses tab.
- Enter the custom course name in the New Course field and click Create.
- The newly created Custom Course Name will appear in the dropdown menu of course names on the certificate creation screen. Custom Course names appear at the bottom beneath the list of Official CALSAGA Courses.

Creating Certificates for Firearms, Baton and/or Chemical Agents

In order to create certificates your company must have a valid TFF and/or TFB certificate number.

- [Request Database Assistance](#) for the ability to create certificates for firearms, baton and/or chemical agents.
- You will receive a confirmation email letting you know once the process has been completed. Once completed, you will be able to follow the steps listed above under the Create Certificates heading.
- The Weapons Courses will appear at the bottom of the dropdown menu of course options.

Giving an Officer Access to his Certificates

The CALSAGA Security Officer Training Database provides an optional feature that will allow officers to log in to save or print certificates. Officers do not have the ability to edit certificates or profile information. Upon log in, officers will see only a list of training records.

- Click the Officers & Certificates tab.
- Select the officer from the list of officers on the left side and click Edit.
- Complete the Email/Login and Password fields. Click Save. A green Success message will appear in the bottom left corner.

Officer Permissions

Officers can:

- View, Download and Print his or her Certificates

Officers cannot:

- View the Membership Profile or Instructors & Courses tab
- Delete or Edit Certificates
- Create Certificates
- View Other Officer Profiles or Certificates
- Create Certificates
