

CALSAGA Database Use Agreement

The California Association of Licensed Security Agencies, Guards and Associates (CAL SAGA) provides a database. Use of the database is exclusively limited to CAL SAGA members for the purpose of generating certificates and tracking security officer required and elective training. By accessing or using CAL SAGA's proprietary database, you agree to comply with the terms and conditions set forth in this agreement. It is the responsibility of the member company to ensure that the database is utilized only for its intended purpose. Please review the following instructions before using the database:

Access and Authorized Use

Access to the database is granted solely for employees of member companies herein referred to as Authorized Users and/or Instructors. Authorized Users and Instructors are prohibited from sharing access credentials or using the database for any purpose other than its intended use. The database may only be used for the purpose of creating certificates for the member company matching membership records; Authorized Users must have a valid and current membership for each company for which they create certificates.

Unauthorized access or misuse of the database is strictly prohibited. Violations may result in disciplinary action, up to and including termination of access to the database and/or termination of membership depending on the severity and nature of the violation. Misuse may also result in civil and criminal liability.

Confidentiality

All information within the database is considered confidential. Users are strictly prohibited from disclosing, reproducing, or distributing any information contained within the database outside of use exclusively by the member company.

Data Integrity

Authorized Users and Instructors are responsible for ensuring the accuracy and integrity of the data they input or access within the database. Any discrepancies or inaccuracies should be corrected; if correction is not possible, it should be reported to members@calsaga.org.

Termination of Access

CAL SAGA reserves the right to terminate access to the database at its discretion, without prior notice, if there is a violation of this agreement or misuse of the database.

Liability

CAL SAGA shall not be liable for any damages, losses, or liabilities arising from the use or inability to use the database, including but not limited to indirect, incidental, or consequential damages.

Acceptance

By accessing the database, you acknowledge that you have read, understood, and agree to abide by the terms and conditions outlined in this agreement.

Modification of Agreement

CAL SAGA reserves the right to modify this agreement at any time. Authorized Users will be notified of any changes, and continued use of the database after modifications constitutes acceptance of the updated terms.
